

Rookie Team - Simplified First Event Check list:

- 1) Busses confirmed; suggest highway 407 to save time, avoid traffic and to arrive early on first event day.
- 2) School lists (qty=2) for attendance, & Teacher supervision on bus to know numbers attending
- 3) Supply Coverage confirmed for teacher mentors in school & teacher lesson plans
- 4) Bring Photography people for promotional, research, & fund raising by board assistance.
- 5) If a mentor has a trailer hitch - \$20/day for UHaul trailer simplifies transportation greatly to bring robot, roll-able tool chest, & can provided ability to drive to purchase last minute broken parts by Lowes/Home Depot nearby
- 6) Any Field concept pieces on practice field to test with

FRC Specific:

- 1) Will be asked to show **Signed Bag and Tag Sheet** for FRC Season – on site person signs this and THEY ONLY remove your Bag Tag Seal
- 2) Custom Pneumatic **Data / Spec sheets** if applicable should be brought
- 3) Must submit to Sign in table **FRC Full Roster List** – they keep
- 4) Will be asked to show **CAW Costing list** – proving the total cost, list of items used
- 5) 1-Team member will be asked how your team promotes safety

Safety:

- 1) Provided to teams in FRC 2017 - 1st event – battery chemical spill kit
- 2) Fire extinguisher – borrow Custodial Dept. to reduce expenses
- 3) Flash light – borrow or buy one
- 4) First Aid kit – school not club expense ideally
- 5) Back packs & coats are cumbersome – minimize or get plastic shelving to stack & Velcro curtain to conceal.
- 6) Power bar with Extension cords – qty = 2 – one for left & right side of pits
- 7) Safety glasses per member
- 8) Isolation blocks/transportation stand – able to run robot in pits/ allowing wheels turning but no motion
